REAL SOLUTIONS, RELIABLE SERVICE

In business since 2004, Houston Laser & Chemical Supply is a family-owned and operated business. Our small footprint allows us the flexibility to meet every customer's needs on time, every time. We have over 50 years of combined chemical, distribution, sales, and service experience; and take pride in treating every customer with the utmost professionalism.

Houston Laser & Chemical Supply prides itself on being able to achieve high levels of customer satisfaction through our reliability and the quality of our products. We recognize that inventory control and employee safety are two

top concerns at any business. HLCS specializes in making sure that your business gets the product it needs in the size you need it. By supplying you with the right amounts of product or by storing them in our warehouse, we help you minimize issues associated with disposal and lower your inventory costs.

Houston Laser & Chemical Supply carries a variety of technical-grade solvents, acids, bases, oils, and oxidizers. We also have access to a full line of reagent and laboratory grade chemicals; solutions at various normality and concentration levels; standards such as atomic absorption and ICP, and many more products of this type. HLCS is a preferred distributor for Thomas Scientific, VWR International, Aqua Solutions, ICL Calibration Laboratories, and Lab Chem to name a few.
